Teaching Bell Handling

A One-Day Course to be held at St Mary's, Tadcaster
on Saturday 29th October 2011, 10am to 4pm

This is a mainly practical Course to learn how to teach bell handling. No previous teaching experience is necessary, but those with some experience would be able to consolidate their skills and perhaps learn new techniques. Students will also be able to learn how to teach raising and lowering, and identifying and correcting handling faults.

The Course will consist of two practical sessions on the simulator in Tadcaster tower. There will also be a short morning and afternoon practical session in the Boys' Sunday School next to the church where tea and coffee will be available. Lunch will also be provided in the Boys' Sunday School.

The cost of the Course is £10, including coffee, tea and lunch.
It is payable on the day.

To book a place and for more information please contact Gail Cater
tel. 01904 675547 (*after 4 October*) or gail@thecaters.org.uk
