RULES FOR THE FINAL OF THE SUNDAY SERVICE BAND STRIKING COMPETITION

These rules were published in the 2023 Annual Report. No change to the rules has been made since then.

PRESIDENT'S REPORT

This year has seen a return to normal business for the Association. Many of the pressing issues we have faced in recent years seem to have faded into the background, thank goodness. The Tykes have gone from strength to strength ably guided by Jane who, I am very pleased to record, was elected as an Association Vice-President in recognition of her outstanding leadership of the Young Ringer's Group.

The Education Committee has been very busy, and we must thank them for agreeing to arrange a special dinner at the Association's Annual General Meeting in May 2026. This will be the culmination of the year of celebration of the Association's founding in 1875.

We are fortunate too in being able to announce that we have a new Safeguarding Officer, Dale Barton of Bradford cathedral, who has volunteered for this important post with immediate effect. This was confirmed at the recent General Meeting in Ilkley and welcomed by all.

I am aware that most Association Presidents stand for a second term of office. I made it clear when I was elected that I would stand down when the three-year term was up. I look forward to just returning as a standard member of the YACR and I wish the new General Committee and the new President my best wishes for the future.

The future. That is still the most worrying aspect of bellringing in the UK. The Central Council are moving towards the project 2030 point where we will take stock of the many activities going on in the exercise to make sure that Bellringing survives the downturn in Church going, we have seen for some years now. It is still unclear from Church Authorities how many churches are at risk of partial or complete closure and judging by current trends it is likely that the situation will get worse before it might become better. The best we can do is to continue to develop our ringers where we can and to keep as many churches active and thriving with new ringers wherever possible.

As I said in my short communication published by the Ringing World last Christmas - unless all ringers take the issues seriously and make a contribution to ringing development we will not succeed in our quest to keep bellringing alive and thriving.

We in Yorkshire do have some successes to report though. The Eastern Branch, which went through a very difficult patch, has started organising itself and has moved forward strongly with meetings and officers. This is most welcome as it keeps the structure of the Association valid. Our rules state that we organise through branches. If we lose branches, then we would have to change the way we organise the whole association. That danger has been averted through the efforts of the ringers in the Eastern Branch coming together and forming a viable branch.

The 150th year celebrations will culminate at Sharow on the day of the AGM where the ringers and parishioners will entertain us to one of their special events, a dinner in the Parish Church. They are very experienced in doing this and as there are limited tickets available, I urge those who want to go to book their place soon.

I wish all in the Association the very best of ringing in 2026 and beyond. It has been an honour and a privilege to be your Association President, and I wish you all the very best for the future.

Professor Andrew Slade: *President*

GENERAL SECRETARY'S REPORT

The Sheffield branch hosted our February meeting; this was on top of them taking the lead for organising the Central Council weekend and Roadshow certainly when it came booking venues and towers. Our AGM and Interbranch Striking Competition was hosted by the York Branch, it was at this meeting that I stood again for the role of General Secretary following a seven-month break, I must take this opportunity in thanking Philip Hoole for stepping in to replace me at the last minute and for doing such an excellent job. Apart from the few months I took out, I have been the General Secretary since 2018 so I made it very clear that this would be my last year.

It was a very wet day when the Central Branch hosted our September meeting along with our Sunday Service Striking Competition.

My thanks have to go to all our hosting branches and towers throughout the year, not only for putting together three very enjoyable days, but also for providing us with such wonderful food. These General Meetings are an opportunity to propose and discuss what the Association provides to its members, so please do encourage your own tower members to come. I wish whoever takes on this role in 2026 every success.

Simon Plows: *General Secretary*

RINGING MASTER'S REPORT

As usual there were three Association meetings during the year – the first two of these being in the capable hands of the outgoing Association Ringing Master – Malcolm Turner.

The February meeting was hosted by the Sheffield Branch with the service, meeting and ringing at Todwick – currently a 3-bell tower but with plans for augmentation to 6. Other ringing during the day took place at Whiston, Beighton, Harthill and South Anston.

For the AGM meeting in May we were hosted by the York Branch with the Inter Branch Striking Competition being held at Huntington. Seven teams entered and the test piece was 224 changes of Little Bob Major with the team representing the Cleveland & North Yorkshire Branch being declared the overall winners. Many thanks to Andrew Aspland for judging. Further ringing took place in the city centre and evening ringing (the first under my tenure) at Bishopthorpe with a good variety of methods being rung.

My first full meeting as Association Ringing Master was in September and hosted by the Central Branch. This opened with the Sunday Service Striking Competition at Sprotborough. Sadly, only four teams entered with Northallerton (representing the Cleveland & North Yorkshire Branch) being declared the winners. Many thanks to Neil Donovan for judging. Further ringing took place at Arksey, Bentley, Doncaster, Sprotborough, Barnburgh and Hickleton. Despite being only 3 bells at this final tower around 15 ringers attended probably attracted by the fact that mirrors are used to see the other ringers around the organ. At all towers a variety of methods were rung to meet the abilities of the ringers present.

Following the Sunday Service Striking Competition, one branch commented that it was disappointing that only four teams entered plus the methods selected by some of the bands were not representative of that rung for Sunday Service at their towers. This requires further discussions and I will welcome any input into this.

Lastly, I wish to pass my sincere thanks to Malcolm Turner who was the YACR's Ringing Master for several years – a role he took on diligently. My hope as your new Ringing Master to carry on that diligence as well as exploring new avenues to enhance the ringing abilities of our membership at whatever level each individual is at.

Peter Kirby: *Ringing Master*

EDUCATION COMMITTEE REPORT

The Education committee has had a busy year, organising courses and leading the celebration of the Yorkshire Association's 150th anniversary. Courses have included a very successful Tower Maintenance course in Scarborough Branch and a productive Tower Management workshop, hosted in York. The Handbell Day at Market Weighton was attended by 22 people from across the Association who were inspired to go home and collaborate with groups they had met on the day. In addition, we hosted a number of ART (Association of Ringing Teachers) 'teaching the teacher' courses with a M1 (bell handling) course at Chapel Allerton and an M2F (Foundation skills) course at Helmsley. Following on from these and other courses, we are happy that a number of our ringers have successfully accredited with ART – Congratulations to them!

The education committee also makes grants to promote education across the association. This year, this has included providing refreshments for courses, as well as supporting Silden's Bell Extravaganza, purchase of a simulator, e-bells and costs of the courses.

To celebrate the 150th anniversary, we have led the Challenge over the Anniversary year, creating a Bellboard event to collect performances. We have publicised the event and, after consulting with members, are creating badges to commemorate the occasion. The year will finish with an anniversary dinner at the AGM.

As the association has moved to membermojo, we are able to contact the membership directly with a questionnaire about the courses they would like to see. This will help us organise and focus courses over the next year.

Many thanks to everyone, on and off the committee, who has helped to make these courses a success.

Susan Welch: *Education Officer*

GIFT AID OFFICER'S REPORT

The Gift Aid repayment claim for 2025 amounted to £236.40, of which £102.65 related to cash collections at Association meetings and the balance of £133.75 was in respect of members' donations under standing order. I am in the process of submitting the claim to HMRC.

Donations from Easy Fundraising amounted to £64.39 in 2025.

Finally, I would invite individuals and bands to consider making donations to the BRF. The appropriate forms can be downloaded from the Association website at yacr.org.uk/brffundraising.html

YORKSHIRE YOUNG RINGERS (YORKSHIRE TYKES)

It would have been difficult to imagine that 2025 could surpass 2024 in terms of achievements for our young ringers, but it really does feel to have been one of our best years so far...!

Meetings continue on the third Sunday afternoons of each month and we visited a total of 25 Yorkshire Association towers during the year. Many thanks to all the towers who host us for your ongoing support. Numbers attending average from 15 to 20 young ringers each month, but we have about 30+ young ringers who have attended during the year. Obviously, not everyone can make every meeting, but their commitment to ringing is excellent and we appreciate that there is extensive travelling involved.

Following our success at the Ringing World National Youth Contest (RWNYC) in 2024, the pressure was on to match our performance in Birmingham on Saturday 5th July. Once again, we were able to take 20 young ringers to the contest and entered three teams, 8 bell method, 6 bell method, and 6 bell call changes. At the last minute two ringers dropped out but we were very relieved that Sam and Joe, from Roos, were able to join our call changes team.

Most of us travelled down on the Friday evening and stayed near Lichfield as accommodation in Birmingham was sold out due to a cricket test match, and Ozzy Osbourne's final concert. On the day we started at Harbourne (8) and had a full hour for all 3 teams to have a final practice of their test pieces. Then onward to Edgbaston (8) for the two method teams and Erdington (8) for the call changes team. All three teams were pleased with their performances but it was difficult to tell how they compared to other teams as we had to move on to ring at St Pauls (10). We finished at St Martin's in the Bullring where everyone managed a ring on the 16 bells.

The awards ceremony was held inside St Martin's church. The call changes team came in 3rd place out of 12 teams, a fantastic result for a team who only practised together twice...!

Our 6 bell method team came joint 7th out of 11 teams, an excellent result for this young team (average age only 14).

Finally, we waited anxiously for the 8 bell method result, it was a close call this time but when only two teams were left, and Winchester & Portsmouth scored 9 out of 10, we knew we had won. Our team scored an impressive 9.5 out of 10 to finish top of the 6 teams in this section. This means we retain the Whitechapel Trophy for another year. The other teams are hot on our heels so we'll need to work extremely hard in 2026 if we are to make it a hat-trick of wins. Onwards to Nottingham on 4th July 2026.

The following day those who had stayed in Lichfield joined the Cathedral band for service ringing and then finished the weekend with a ring at Alrewas (close to the National Memorial Arboretum) before travelling home.

We had no big birthday to celebrate this year, but the Tykes have been asking for some time "when can we go to Liverpool?" so we decided to visit on Sunday 31st August at the end of the school holidays. Obviously, booking the two big towers in Liverpool (Pier Head & The Cathedral) takes a bit of organising as both towers have lots of requests for visitors, peals etc. It was great to have both towers to ourselves for the afternoon. 17 of our current young ringers attended and were joined by ex-Tykes Ewan and Annie, it is always good to be supported by our former members. It was fantastic to see them handling these big bells with ease and take it all completely in their stride. Several of them rang the tenor at the Cathedral and even our youngest members got to ring on all 12 bells.

On 11th October it was the turn of the Tykes to host the White Rose 12 Bell Contest. As we don't really have a "home" tower we decided to hold it at Bradford Cathedral, who were keen to have

Allocations During 2025

We gave grants to the following projects in 2025:

Guiseley	Grant	£500
Market Weighton	Grant	£4,000
Patrington	Grant	£6,000

Also, we have offered support to **Sharow** whilst they look at their options, and we will offer a Grant when details have been finalised on the project.

We have four grants outstanding from before 2025:

Melsonby	Grant	£10,000
North Cave	Grant	£6,000
Todwick	Grant up to	£5,000 from the Ashworth Bequest for a bell
Hovingham	Grant	£6,000

We have had towers where we offered a grant but have now lowered the level of grant to “Support”. This is where we have said we will support a project but have not given a specific grant figure. Two towers have this status are:

Laughton en le Morthen: They are having work done on the tower and will be reapplying for a grant when that work is done. This will be a transferred ring of bells.

Holme on Spalding Moor the Local ringers and parish are taking stock of the exact project but are currently working on the North Cave Project.

One thing to note: After long periods of bells not being rung the Central Council guidance is still to check your bells and make sure everything is how it should be in the belfry. It is always worth remembering ongoing maintenance can help prolong the need for expensive refurbishment work.

We are looking at various ways for finding homes for bells where they are no longer needed in their current churches. I ask members to keep me informed if they know of any churches that may be closing and bells that might be becoming available for transfer. Also, if you know of a church where towers could rehouse second-hand bells, please let me know at the earliest opportunity. We put on our website of any Yorkshire bells that are available to be transferred to other towers. We have some towers in the county looking at options for bells from the Keltek Trust.

Trustees are appointed every year by the General Committee. If you would be interested in becoming a Trustee, please contact myself or the general secretary. As we fall within the rules set out by the Charities Commission there are certain conditions which apply as to who can become a trustee.

The next two meetings of the Trustees will be held in September 2026 and February 2027 to consider applications for support and grants. The closing dates for applications are 30th June and 31st December 2026 respectively. Applications should be submitted using the YACR BRF form A and sent to the BRF Secretary: Peter McCoy, 32 Clough Grove, Oughtibridge, Sheffield, South Yorkshire S35 0JX. If you are considering a project, please contact me so that I can supply you with the correct form and offer any advice you may require.

For further information to allow for a full understanding of the financial affairs of the Bell Repair Fund the full annual accounts and the Trustees’ annual report should be consulted. Copies of these documents are obtainable from the Association Treasurer for a reasonable fee to cover costs or alternately we have the most recent full reports available for download on the YACR website.

I would like to take this opportunity to thank everyone who has donated money, supported fund raising events, time, labour, and effort to the Bell repair fund and helped with bell projects within Yorkshire in 2025.

Peter W McCoy: *BRF Secretary*

NOTES ON THE ANNUAL REPORT

Details are given for all towers containing four or more ringing bells, and all ringable three-bell towers, in the area of the Association's activity. The Report Editor, Association Membership Manager and Branch Secretaries will be pleased to hear of corrections or amendments to information contained in this report. For each branch, towers are listed with, wherever possible, details of the bells, the national grid reference, postcode and a link to the contact details if these are available on the YACR website. The figure in parentheses after details about the bells is the number of peals rung in the tower for the Association.

Members are listed only if they have given their permission. Members are listed by seniority of membership with their year of joining and peal totals. 'LM' indicates that the person is a life member of the Association. The three columns of figures at the right-hand side of members' names indicate the number of peals rung for the Association during the year of the report, the total rung and the total number of peals conducted.

An asterisk after the year of joining indicates that a person has not had continuous resident membership since the date shown. This information is not complete at this stage.

Resident members receive a printed copy of the annual report each year if they have opted to do so. The price of the printed report to non-resident members and others is £4.00.

BRANCH REPORT 2025

The branch AGM, hosted by the Knottingley band & clergy in January was attended by thirty one members. Ringing ranged from Stedman & Grandsire Caters to Plain Bob, Little Bob & call changes. The Knottingley band & helpers supplied an excellent tea & thanks go to all who were involved in making the meeting a success.

Branch activities & outings throughout the year ran in tandem with the Barnsley & District Society & Doncaster & District Society proving to be at a good turn out of ringers of all abilities.

March saw the branch training event, organised by Brian Sanders, hosted at various six bell towers across the Barnsley area. Methods studied included basic plain hunting, plain bob & treble dodging minor methods. Thanks to everyone who attended & Brian for putting the excellent day together.

We enjoyed two outings in the year, firstly to Cheshire organised by the Barnsley & District society in April & to Derbyshire in June organised by the Doncaster & District Society. Both events were well attended & excellent days out with great towers. Huge thanks to Richard Pagdin & Dylan Smith for their superb organisation.

In May the inter-branch striking competition took place at Huntington. The Central Branch took part being placed second to last, one place better than the last time we entered.

Twenty six members of all abilities attended the meeting in July at Wragby & Horbury with some great ringing.

In September the branch hosted the YACR general meeting. This date clashed with Heritage Day activities at many of our branch churches with ringers having to run open tower sessions & not be able to support the meeting. However ringing was enjoyed at Doncaster, Arksey, Bentley, Barnburgh & Hickleton where everyone tried ringing by mirrors after driving through very heavy rain. The Sunday Service competition held at Sprotbrough was won by Northallerton; sadly our branch could not provide a team.

Many thanks to towers who allowed use of the bells on the day, Barnburgh Hall for a lovely pie & pea supper provided by Jane McDermott & her helpers, and thank you to Helen Nichols for the day's arrangements.

The November meeting to be held at Campsall was cancelled due to torrential rain, flooded lanes in the area making travel difficult.

Huge thank you to our branch officers & committee who have worked so hard this year giving so much time to keeping the branch running successfully.

Graham Hunt: *Central Branch Chairman*

BRANCH REPORT 2025

The branch entered and won the inter-branch 8 bell competition at Huntington with a test piece of Little Bob Major at the Association AGM in May. Thank you to Martin Davies for organising and conducting.

The Branch Striking competition saw 11 teams enter, an increase on the 9 from 2024. A big thank you to the Kirklington ringers who put so much effort into making it such a great day.

Congratulations to Sharow on winning the call changes category. Many congratulations to Northallerton, who not only won at Kirklington, but came first at the Association Sunday Service competition in September.

We also held well-attended Branch 10 & 12 bell practices this year at Whitby, Northallerton, Masham and Ripon and we received positive feedback.

Clusters:

The Wensleydale cluster was created a few years ago. Last year, the Cleveland cluster was created along similar lines. They are both completely independent of our branch committee, giving them the flexibility and agility to provide events that the ringers in their areas want. I hope ringers in these areas will use clusters as a stepping stone to the wider ringing community.

Wensleydale Cluster:

Wensleydale Cluster continues to evolve, with Wood Schofield, Tower Captain at Sharow, having taken over the organising of the First Fridays:-

Wensleydale Cluster meetings continued through 2025 at Bedale, Kirkby Malzeard, East Witton, Richmond, Grinton, Sharow and Masham. These have been well attended and enjoyed by all ringers with varied levels of ability; ringing rounds, call changes and Plain Hunt and Plain Bob Doubles. They have provided an opportunity for ringers to meet from different towers, share their experiences and encourage each other to progress with their ringing.

Cleveland Cluster:

Louise Jackson, from Skelton, has been instrumental in setting up the new Cleveland Cluster:-

The Cleveland Cluster was set up in September 2025; the objective of the cluster is to promote friendship and collaboration within the towers in the local area.

The first two practices were well supported by ringers from across the Cleveland area. It is quite encouraging that newer ringers are attending the practices and ringing has ranged from rounds and call changes to Surprise Major, which shows the wide range of ringing abilities attending.

EASTERN BRANCH

Chairman	Sam Austin, Market Weighton
Secretary	Helen Audley, Roos
Ringing Master	Siân Austin, Market Weighton

BRANCH REPORT 2025

After a long period of dormancy, the (renamed) Eastern Branch has been brought back to life. Our aims are to focus on ringing, engage with a wider group of ringers beyond the East Riding and provide opportunities and facilitate access to the Yorkshire Tykes for our present and future young ringers.

We are holding quarterly events, encompassing a mixed programme ringing and social activities. Our friends The Beverley and District Society, also operate in this area, so it is important to cut our cloth accordingly and establish a sustainable pattern without competing for resources.

So far, we have held a well-attended meeting at Market Weighton which took the form of a traditional meeting with ringing, service, tea and meeting. Our plans for the forthcoming year include a surprise minor practice, a mini-tour, a joint meeting with the B&D and an AGM. In months without an Eastern Branch or YACR general meeting, we have been organising branch quarter peals for our members.

We are in the process of adjusting the branch territory to encompass some of the former Selby Branch Towers and we look forward to welcoming them and any new members to the Branch.

The response to restarting the branch has been positive. It was spurred on by a glib comment made at a YACR General meeting about putting the Eastern and Selby Branches "in the bin". We are now known colloquially as The Bin Branch!

We are grateful to those who have been encouraging and enthusiastic about restarting the branch and to all who have supported our events.

Samuel Austin: *Chair*

BRANCH REPORT 2025

During 2025 the Leeds & District held regular monthly meetings held on the second Saturday of each month. Various towers throughout the branch were visited and I would like to thank all the tower contacts for their time and patience this year. We continue to focus on our less experienced ringers in these tower visits and encourage everyone to come along and meet their fellow members. Our ringing master does an excellent job by finding something that is challenging enough for all those who have come along and yet easy enough to increase their confidence.

At our AGM held at Sherburn in Elmet in February the secretary was re-elected and Helen Riley joined the committee. In May the committee started a quarter peal group aimed at ringers who are just starting method ringing. This is proving to be very successful with lots of quarters being rung.

We once again enjoyed the hospitality of Chapel Allerton for our annual branch striking competition in June. It was a great success as the hall was full and there was much laughter whilst teams waited for their turn. Twelve teams took part in either the method ringing or the rounds and call-change competition. Leeds Minster remained consistent and took first prize in the method ringing with Leeds University claiming first prize in the rounds and call-change competition.

The branch outing in July visited towers in Snaith, Carlton juxta Snaith, Hemingbrough and Selby Abbey. For some of the ringers there were several firsts on this trip, first time at a ground floor ring, first time on a chancel ring, first time on 12 bells. Excellent weather, good company and lovely bells made for a very enjoyable day.

As we know the Yorkshire Association of Change Ringers is celebrating 150 years [1875-2025] and so we arranged to mark this at our November meeting. The first meeting of the association was held in Birstall on 30th October 1875 and so we returned to Birstall on the 8th November 2025 to ring, catch up with old friends and share a meal together. There was a good attendance with officers from the Yorkshire Association and newer members coming together to celebrate this milestone. The catering team at Birstall did a marvelous job with a meal, a celebratory cake and fizz. This was all rounded off by a couple of quarter peals at nearby towers. A celebration peal of Bristol S. Major was also rung at Birstall on the exact anniversary – 30th October.

In December our friends from Tadcaster arranged a carol service and meal after the branch meeting held at St Mary, Tadcaster. The event proved so popular that it was oversubscribed and everyone had a great start to their festive period.

I would like to take this opportunity to thank all the members of our branch for their support in 2025. Thanks must also go to the members of the committee who have given their time to organise, coach and mentor activities throughout the year.

Adrian Garner: *Secretary*

BRANCH REPORT 2025

It's been a very busy year once again in the district, with monthly meetings held in various towers within the branch as well as training mornings.

The yearly mystery coach outing was in September and was very well supported with no places left on the coach. This year they visited towers in the Hull area.

Once again, Scalby represented the branch in the Six Bells Sunday Service Striking Competition, and they came third. Well done Scalby!

Our Stepping Stones programme has continued to be well supported by learners and teachers/helpers alike.

We had a tower maintenance day at Norton and this highlighted that the clappers needed some work. These were taken out in January to be serviced by Taylors and are now back in.

Hovingham bells have also been taken out of the tower and are with Taylors too. The Hovingham team has worked very hard with cream teas and other activities to help fund raise.

We hosted an ART M2F course in Helmsley in October, which was another successful teaching and training day. Thank you to Helmsley for being such great hosts.

At our AGM this year, held in Bridlington, all posts remained the same apart from Stever Waterworth stood down from Education Secretary and there wasn't anybody who was able to come forward. Our Tail Ends editor Linda Bramley stood down too and Kris Wilcox took over. Many thanks to Linda and Steve for their time of service in the district.

I'd also like to take this opportunity to thank all members of the branch for their support this past year, and a big thank you to members of the committee who've given their time to organise events and activities.

James Wood: *Branch chair*

BRANCH REPORT 2025

The branch AGM in January had ringing at both the Catholic and Anglican Sheffield Cathedrals. Chapter House at the Anglican Cathedral hosted the excellent tea, of various delicious hot pies and puddings prepared by the Sheffield Cathedral ringers, and meeting in between the enjoyable ringing. Monthly branch ringing meetings on the first Saturday of the month were held during the year where the month did not include a YACR event.

The monthly meetings in March (Beighton), July (South Anston) and November (Bolsterstone and Wentworth) were a branch training event that proved to be popular to branch members. They covered Rounds and Call Changes, Plain Hunt, cover, Plain Bob, Grandsire, Treble Bob Hunting, Kent and Oxford Treble Bob, and Little Bob.

Ranmoor hosted the April meeting followed by tea within church. Ecclesfield hosted the August meeting. The December meeting was hosted by Norton followed by a 'bring and share' social within church.

The branch striking competition was held in June at Bolsterstone. The local band provided refreshments and cake. The winner of the contest and awarded the J.J.L Gilbert Cup was St Marie's Cathedral. The C David Munday Cup for best call changes was won by Walkley.

The annual October outing was to five towers within the Ashbourne, Derbyshire area. The towers were Wirksworth (8), Brassington (6), Bradbourne (6), Ashbourne (8), and Osmaston (6); it was an enjoyable day out for all with a pub lunch. Ashbourne was the first for many to ring from the chancel crossing.

The branch hosted the YACR February meeting. There was general ringing at Whiston, Beighton, Todwick, Harthill and South Anston, and Todwick church hall hosted the lunch and meeting.

At the YACR May inter-branch striking contest our branch finished fourth. St Marie's Cathedral represented the branch at the YACR September Sunday service band striking contest and were placed second.

Branch members rang for the 80th Anniversary Ring Out Celebrations on 8th May for VE Day and 15th August for VJ Day.

Branch member David Jackson has continued to organise a monthly Surprise Major practice on the second Saturday of the month.

Rotherham hosted the National 12 bell Striking Contest qualifier event in March. The CCCBR AGM weekend was hosted in Sheffield in September as part of the YACR 150th anniversary year. Thank you to the teams of volunteers that made these events a success.

Branch members have registered with the new membership system since go live in late 2024. The branch member communication function within the new membership system was used from September onwards as members had registered.

Many thanks to our branch event hosts and thank you to all for supporting our branch during the year.

Philip Hoole: *Branch Secretary*

BRANCH REPORT 2025

At our March AGM, to facilitate opportunities for ringing and training, we appointed three ringing masters to organise events in the Northern, Central and Southern areas of the branch. As our branch has 66 towers and takes 2 hours travel from the Northern to the Southern part of branch this arrangement has worked well. We have held a number of well attended ringing events and successful training sessions. This year our ringing up and down has been a particularly popular training session.

We had a successful branch outing in June visiting East Lancashire towers. We held 2 successful quarter peal days with a good variety of methods being attempted, giving members opportunities to challenge themselves.

As a branch we continue to support ringing at Bradford Cathedral. Our monthly practices at Halifax Minster are well supported and provide opportunities for branch members to ring on higher numbers of bells.

Thanks must go to all those who have made these activities possible and the tower contacts and incumbents for allowing use of the bells across the branch.

PEAL SECRETARY'S REPORT

The 2025 peal total of 219 was down on the previous year, so there is definitely no sign of the total recovering to well over 300 as in the pre-Covid years. This may be partly due to peals being rung in Yorkshire for other informal associations or none rather than for the Yorkshire Association. One particularly surprising statistic – no tower bell peals of Maximus were rung in 2025. The total of hand bell peals was the highest since 2019.

YEAR	TOTAL	TOWER	HAND	FIRST PEALS
2025	219	192	27	3
2024	233	212	20	5
2023	251	232	19	11
2022	224	205	19	14
2021	62	53	9	1
2020	78	64	14	1

No local band peals were reported in 2025.

Two noteworthy anniversary peals were rung in 2025. The 150th anniversary of the very first peal rung for the Association (same tower & method) at Hull Minster (22302) and the 100th anniversary of the first peal on the existing bells (same method) at Rotherham Minster (22336). Several other peals were rung marking the 150th anniversary of the Association, including one at Birstall (22298) at the venue and on the date of the first meeting.

Methods included 4 rung for the first time and a further 24 new to the Association. The two most popular single methods for peals appeared the other way round than in most recent years: Yorkshire Surprise Major (18), Bristol Surprise Major (15), followed by Yorkshire Surprise Royal (14) and Lessness Surprise Major (13)

The list of leading towers and handbell venues for 2025:

Leeds Cathedral (RC)	32	Strensall	9	Saddleworth	5
Northallerton (The Green)	22	Fewston	6	Sutton Cum Lound (Notts)	5
Thirkleby	20	Knottingley	6		
Dore	9	Elloughton	5		

Venue milestones reached during 2025 were Leeds St Anne 1200; Northallerton (The Green) 450.

Congratulations go to the following who rang their first peal: Jake A Burns, George S Rees, Keith J Small and the following who conducted their first peal: Daniel T Calvert and Joseph E T Waters.

The following members rang 20 or more peals for the Association last year:

C Barrie Dove	95	Chris M Bennett	43	Malcolm S Turner	26

STILL WANTED - PAST ASSOCIATION REPORTS

Malcolm Turner (Rotherham) would like to hear from anyone able to provide him with early numbers up to Report Number 50. In addition, there are a number of Association members who would be interested in copies of Association reports from the 1960's and earlier.

The Association continues to provide Public Liability Insurance cover for its members.

The policy document can be found at www.ecclesiastical.com/ME866. Section 9, 10 & 13 apply.

Public Liability cover is limited to £5 million. Third party property damage excess is £250.

Products liability cover is limited to £5 million.

Cover 2 - Public & products liability - Condition of Cover

It is a condition of this insurance that inspection, adjustment and repair of the bells will be undertaken only by persons technically competent relating to engineering or church structures or if in the view of such qualified persons they are competent to perform the tasks allocated to them.

C4277 Safeguarding of vulnerable persons conditions

If YOU or any of YOUR EMPLOYED PERSONS or service providers work unsupervised with children or vulnerable adults or who have unsupervised access to children or vulnerable adults it is a CONDITION PRECEDENT TO LIABILITY that:-

Provided that:-

- (a) such member is not entitled to indemnity under any other policy or policies
- (b) such member shall as though he/she were the INSURED observe, fulfil and be subject to the terms, conditions and endorsements of the policy so far as they can apply.

SAFEGUARDING STATEMENT

Child means any person aged under 18 years:

Vulnerable Adult means any person aged over 18 years who is, or may be in need of community care services by reason of disability, age or illness; and is, or may be unable to take care of or unable to protect him or herself against significant harm or exploitation.

CCCBR has recently produced its General Statement on Safeguarding Children in Towers which may be found on its website at <http://www.cccbr.org.uk> on the Tower Stewardship heading under the Committees Tab. All ringers are urged to familiarise themselves with it. The relevant points for YACR events are given below.

YACR activities do not usually fall within Regulated Activities as defined by the Safeguarding Vulnerable Groups Act 2006 and amended in 2009 and further amended by the Protection of Freedoms Act 2012.

YACR Ringing Activities REQUIRING DBS checks are those carried out on a regular* basis OR involving overnight stay (e.g. weekend courses):-(*regular is 30 hours per month or more)

- **The YACR member acting as Lead Tutor must hold a current DBS Enhanced Disclosure Certificate;**
- **Checking is the responsibility of the YACR Safeguarding Officer.**

YACR Ringing Activities **NOT** requiring DBS checks are:-

- Teaching children **under supervision** of a DBS checked leader
- Helping children by ringing another bell or standing behind
- General ringing at practices, meetings or on outings
- Visitors to towers
- One-off teaching or deputising
- Transporting juniors as a one-off **domestic** arrangement

Sunday Service ringing and local tower practices are always the responsibility of the parish and so YACR offers the following advice and information:-

The CCCBR document “Good Practice for Maintaining a Safe Environment in the Belfry for Young People” **should be** displayed in every Ringing Room.

All Tower Captains & Deputies should establish a working relationship with the Parish Safeguarding Officer who has a vital role to play in the recruitment of new ringers, or in the welcoming of established ringers coming into an established band. See ***Safer Recruitment Practice Guidelines*** below.

All Tower Captains & Deputies should be DBS Enhanced Disclosure checked if there are children in the band, as should any ringer involved in the training of children.

All parish based training should always be carried out by at least two adults, preferably comprising both sexes.

The Church of England has implemented two Policy Documents: ***Promoting A Safer Church*** and ***Safer Recruitment Practice Guidelines***. Both of these affect all ringers. The first recommends Safeguarding Training to be undertaken at ***Basic Awareness*** level (formerly C0, see below). Tower Captains and Deputies need to attain ***Foundation*** and ***Leadership*** (formerly levels C1 & C2, see below). Details of the Course Levels are:-

Basic Awareness (formerly C0). Online learning only. Covers the basic principles and sets the context for ***Foundation Training*** (formerly C1). Time required is about 1 hour. All ringers are strongly encouraged to complete.

Foundation Training (formerly C1 & C2). For Tower Captains & Deputies & Ringers in roles involving work with children or adults at risk. Online only. Online about 90 minutes, classroom 3 hours. For ringers in those categories YACR also offers a classroom based module for those who have completed the online courses to enable members to build on the issues through local conversations focussed on ringing scenarios. This is organised at Branch level, so please speak to your Branch Secretary for local details.

Leadership Training. This is a new module which is not expected to involve the majority of ringers. Completion Certificates are issued after each course. These should be retained and, if necessary, produced prior to ringing at places other than the home tower.

The online course gateway is at <https://safeguardingtraining.cofeportal.org>
Refresher training to take place every three years.

Safer Recruitment Practice Guidelines establishes new criteria for all voluntary roles including ringing. To be implemented at Parish level. It sets out a process for all new learners and established ringers joining a local band to provide information about themselves and agree to abide by the ethos of the Parish. It is suggested that for new learners the process need not be implemented until a level of competence is reached whereby regular membership of the band is offered. The **Parish Safeguarding Officer** needs to be involved at that point as a Confidential Declaration is requested, **and it is not the duty of Tower Captains or Deputies to be present for that.**

DBS Certificates are obtainable free of charge by application to the Parish Safeguarding Officer. In **exceptional** circumstances, e.g. ringers unattached to a parish, application may be made to the YACR Safeguarding Officer who will seek processing through the relevant diocese. A charge will usually be involved.
