We collect information to allow us to process and maintain your membership of the YACR and optionally to inform you about forthcoming events.

Your details will be kept securely on an electronic database.

The YACR will never share this information with any other organisation, or third parties, for any purpose, including marketing, except where required to by law.

Please note that your name, together with your membership status, year of joining the YACR and a record of the numbers of peals that you have rung for the YACR will be printed in the Annual Report of the YACR for each year that you are a member. If you wish this information to be listed under the tower that you ring at so that you are identified with that tower, then you must give your permission by signing below. The names of members who have not given their permission to be listed under their tower will be listed in alphabetical order elsewhere in the report.

Member's addresses will not be printed in the Annual Report unless that person is a tower contact.

In order to limit the production of unwanted Annual Reports, please also indicate below whether or not you wish to receive a printed copy of the Annual Report each year.
