

TOWER CONTACT CONSENT FORM

Thank you for agreeing to be the tower contact for your tower. This means that the contact details that you provide below will be printed in the YACR Annual Report so that other ringers from within and outside the Association can contact you to arrange to ring at your tower. These details may also be given individually to others requesting them through Branch or Association officers.

It is also useful if ringers can contact towers via our website. If you agree to be contactable by e-mail from the YACR website then this will be via an enquiry form - your e-mail address won't be visible on the website or to anyone who sends you a message via the website. You can also opt to have your name and/or phone number displayed on the website.

The General Data Protection Regulations make it a legal requirement for organisations to obtain your written permission before publishing your contact details. Therefore, so that we can publish your contact details in the Annual Report and/or on our website, we need your written consent (either as a signed paper copy, or, if signed electronically, as an attachment to an e-mail sent from your own e-mail address). Please indicate below which details you are happy to include.

Tower

.....

Annual Report

Name (as you would like it to appear)

Address

Phone number

E-mail address

I give my permission for my name and the contact details I have indicated above to be printed in the YACR Annual Report each year until further notice.

Signature: Date:

Association website (optional)

Name (as you would like it to appear)

Phone number

E-mail address (hidden)

I give my permission for the details above to be used on the YACR website until further notice.

Signature: Date:

You can withdraw your consent at any time by writing to the Association Membership Manager (janinehones@ntlworld.com). However, please note that any changes to the Annual Report need to be made by the beginning of March each year in order to take effect in the reports that will be printed that year.

You can read our Privacy Policy in full on the YACR website at www.yacr.org.uk/privacypolicy.html.
