## PRESIDENT'S REPORT

2022 was a 'back-to-normal' year, with ringing in our Association towers moving again after the Covid years.

The February General Meeting was hosted by the Central Branch at Royston with a good turnout at a fine selection of towers.

The AGM in May was held at Almondbury, where after a magnificent tea, we held an uneventful Meeting. A discussion on 'updating' the Association ended with Andrew Slade being tasked with coming up with ideas and suggestions for the 2023 General Committee Meeting.

The September meeting was held in October at Stockton on Tees, where a number of interesting towers were visited by members from all nine branches.

As well as the usual Association meetings, we repeated a number of the 'new' events held last year.

Firstly, there was a 'Hat' striking contest at Thorner, when ringers were drawn into teams of equal ability led by an 'experienced' leader. Thanks go to our judge Andrew Slade for drawing out the teams and making the results section so interesting and exciting. A team comprising seven ladies and one man won this contest.

The 12-bell open day on the lovely twelve at Selby Abbey drew about fifty ringers, lots of whom had never rung on twelve bells before.

The Quiz night at Burley (Leeds) was another great success, again raising a significant sum of money for the BRF. Thanks go to Lesley for putting together such an interesting set of questions, and thanks go also to the Leeds Minster ringers for providing a lovely meal for us at the interval. Keep an eye on the website for similar events in the future.

The Snowdon Lunch, in October, was again held in York, with numbers back up again. Lesley Belcher, head of ART, gave us an entertaining speech, and a second speech by one of our 'star' ringers - Alex Riley - was much appreciated by everyone. The food, as usual, was of the highest standard.

Tower Captains and Branch officers please encourage your ringers, especially the less advanced ones, to come along to Association events and meet up with their fellow ringers.

My thanks go to officers Simon and David for keeping things in an orderly and correct fashion. I look forward to seeing you all during the year.

C Barrie Dove: *President*

## GENERAL SECRETARY'S REPORT

I take pleasure in submitting the one hundred and forty seventh secretary's report of the Association, with gratification with the fact that once again were able to hold our General Meetings within the Central, Western and C&NY Branches face to face following the Covid pandemic. The attendance at all the meetings was good, and we are much obliged to our hosts on all three occasions for the hospitality provided.

Sherburn in Elmet was again the venue for our General Committee Meeting on the first Saturday in March. I would like to place on record my thanks to Jenny Clark and her team for again providing us with refreshments.

With the Association covering such a large area, communication with our members can provide issues, however I would like to express my gratitude to the Branch Secretaries and Officers for their work and support.

Enjoy your ringing and stay safe.

Simon Plows: *General Secretary*

## RINGING MASTER'S REPORT

Ringling has slowly continued to return to normal following on from the easing of restrictions post Covid, with ringers far more at ease with being in close company of others. In May the Association was welcomed by the Western Branch who gave us an interesting mix of towers from the excellent 8 at Almondbury to the challenging 10 at Huddersfield where, by request, a half course of Bristol S. Royal was successfully rung, despite the swaying tower having other ideas. Once again Selby played host to a Rounds, Call Changes and Plain Hunt on 11 & 12 session. The ringing room was full of willing participants. 12 bell events especially show the need to have rock solid bell handling control with people being able to ring exactly in the right place, right tempo and speed. The more consistent their action in handling, the easier ringing should become and the more enjoyment the individual should gain from their ringing. A second Hat Contest was held at Thorner, where both novice and experienced ringers were mixed together to ring rounds and call changes. This once again proved to be a good ringing and social event especially as it was a lovely sunny day. The General meeting in the Cleveland & North Yorkshire branch saw no more than 30 people on the day. Stockton hosted the meeting and service where Grandsire Cinques was the method for the service touch. In the short service 11 of this band formed nearly half the congregation! Yorkshire has many challenging as well as easy going 'well behaved' rings of bells, be they short or long draught, guided or not, so the importance of good bell handling technique should not be underestimated to ring these bells well. Once again, my thanks go to all the people who have supported me during the last year and have hopefully enjoyed their ringing with me and will continue to do so. With what seems to be ever increasing parochial or cluster- based ringing, I hope ringers will still continue to travel to enjoy the company of others and to ring in different towers, whether for a first time 'grab' or simply to support the ringing of bells at meetings.

Malcolm Turner: *Ringling Master*

## LIBRARIAN'S REPORT

This year has been a quiet one for the Library and Archive.

A number of things are in hand as listed below.

- 1) I have sought to obtain a quote for the restoration of one of our more significant manuscript books. This manuscript is a history of bell ringing in Yorkshire written in long hand by someone in the middle of the 19th Century. It is in poor condition and needs binding carefully to render it suitable for consultation.
- 2) I have agreed a timescale with the Minster Library for the removal of the physical copies of the Ringing World Collection, as agreed.
- 3) I am considering the future of the general ringing books stored in the public area of the Library. Information from the Librarian indicates that no one has consulted them for some time and they occupy a significant piece of prime shelf real estate in the Library.
- 4) I have yet to visit the Archive but will endeavour to do so shortly.
- 5) The collection of reports of the Association is significant and of course not available in digital form, unlike the Ringing World. I have received only one request for permission to look at the reports which has recently come in.

I am not aware of any other visit to the Collection by a member of the general public.

Professor Andrew J Slade: *Association Librarian*

## **SAFEGUARDING OFFICER'S REPORT**

It is pleasing to report that the Safeguarding Training Programme for Tower Captains & Deputies has moved forward with courses in Leeds & District and Western Branches taking place during the year. Steps had been taken to include Sheffield & District as well, but this could not be achieved within 2022 and remains a priority for 2023, along with those other Branches still outstanding. Both events were very well attended with very positive feedback in both cases.

I hosted The Safeguarding Workshop at the Grand Day Out on 2<sup>nd</sup> April 2022 in Harrogate. This focussed on compliance with the C of E Safer Recruitment requirements as outlined in the Safeguarding Statement, along with information about the recent Training Revisions.

I report that during 2022 it has been necessary for one ringer to be suspended from all ringing activities pending the conclusion of police investigation into serious allegations. Hopefully this will be resolved as soon as possible in 2023.

A further complaint was received about alleged incidents during a ringing tour of Yorkshire towers. Because the allegations relate to a privately organised event the Diocesan Authority involved has referred the case to The Central Council of Church Bell Ringers, and there remains some doubt about jurisdiction. The complainant has been advised to refer matters to police if legal redress should be the desired outcome.

It gives me great satisfaction to report that I was alerted to serious concerns about a vulnerable adult ringer who seemed to be undergoing mental health issues. In following up the report I was touched by the efforts of those ringers with knowledge of the individual, ensuring that wellbeing was assured with positive plans in hand to maintain future support.

After over twenty years in post, I have decided to stand down as Safeguarding Officer. During my tenure I have seen very positive changes in ringers' perceptions and willingness to learn and adapt. A potential successor has come forward, and so I leave the office with every confidence that the Association will remain guided and supported very ably in the future.

Robert Appleby: *Safeguarding Officer*

## **EDUCATION COMMITTEE REPORT**

In this, my first report to the Yorkshire Association as Convenor of the Education Committee, I would like to provide an update on activities since taking on the role in October 2022.

Initial work to date has involved the setting up of Association of Ringing Teachers (ART) Module 1 courses to train people in teaching of bell handling. I firmly believe that this initiative will provide the Yorkshire Association with increased capacity to train beginners and will enable this important introductory work to be spread around, thus reducing strain on the existing teachers. It will also provide learners with choice in who teaches them to handle a tower bell. The Yorkshire Association is covering the course fees of its members to attend these courses. Please see the Education pages of the Yorkshire Association website or the ART website for further details. It is hoped that a proportion of course attendees will undertake other ART courses, and hopefully some will go on to seek full qualification as ART tutors themselves in due course.

The Education Committee will be seeking information from towers on a number of topics over the coming months. We would like to identify towers that either have particular support requirements to develop their ringing, or in some cases, recommence ringing. Please respond to survey questionnaires when they come out. We will do our best to make them as easy as possible to complete. If you have a good idea that could contribute to the educational

programme, please get in touch with me directly. We need information to ensure that the Education Committee provides the support that your tower and individual ringers needs; please help us to help you.

It is envisaged that over the coming year we will be providing courses on the development of method ringing to enable individual ringers and bands to advance and increase their repertoire. Please get in touch if you have any requests for specific courses, and we will do our best to put something in place for you. Such training courses are always in need of strong ringers to join in and ring alongside those learning a particular method. If you are keen to help in this way, please get in touch. I can be contacted via the Officers page of the Yorkshire Association website.

Also on the agenda, is how we develop the leaders of the future. We need to pay particular attention to the training and development of ringers who can lead Sunday Service ringing, and other ringing activities. Conducting is a complex skill, and I will be calling on experienced conductors to help in the delivery of training to provide the Yorkshire Association with the next generation of Tower Captains and Ringing Masters.

Finally, I may be calling upon you for help on the Education Committee. As we develop new educational offerings, I will be putting together dedicated teams for specific projects, and co-opting people to the committee for a period of time. If you are keen to help, please get in touch with me.

My thanks go to members of the Education Committee for their work with me in my first few months in the Convenor role. I would like to thank Simon Plows (Secretary) and Bill Lennox (Treasurer) for their hard work. My thanks go also to Barrie Dove and Elva Ainsworth for their support and very useful thoughts on how the impact of the work of the Education Committee can be maximised. Education is key to the development and ongoing progression of change ringing in Yorkshire. Please help me to deliver a strong and sustainable environment to enable ringing and ringers to flourish.

Edward Mallen: *Convenor*

The Gift Aid repayment for 2022 amounted to £217.75, of which £60.25 related to cash donations at Association meetings, the balance of £157.50 being in respect of members' donations in accordance with standing orders. I am in the process of submitting the claim to HMRC.

Donations from the online shopping websites of easyfundraising and Amazon amounted to £255.85 in 2022 so this is a very useful contribution to BRF funds.

## YORKSHIRE YOUNG RINGERS (YORKSHIRE TYKES)

2022 was a year of considerable progress for the Tykes. Numbers attending our 2<sup>nd</sup> Sunday meetings increased steadily throughout the year, and new members are joining on a regular basis, which is great.

We visited a total of 16 YACR towers during the year including: Tadcaster, Ecclesfield, Birstwith, Kirk Deighton, Wetherby, York Minster, Knottingley, Burley, Chapel Allerton, Pickering, Helmsley, Kirk Ella, North Cave, Beverley (St Mary), York (St Lawrence) and Huntington. Many thanks go to all the towers for making us so welcome.

The highlight of the year was our visit to York Minster in May. 19 of our young ringers attended, they all rang extremely well on these heavy bells and enjoyed a visit up the tower to see the bells in action.

Five of the Tykes rang their first peals in 2022, congratulations to Francis Town, Charlie Thorpe, Francis Gilruth, Annie Faulkner and Noah McDermott, hopefully they will go on to ring many more peals for YACR in the future.

In April Noah & Charlie attended the Learning the Ropes Level 5 Master Class in Birmingham, they clearly enjoyed the weekend of intense ringing which included a quarter peal of Cambridge S Minor with the CCCBR President...!

The expedition to Exeter for the RWNYC in July was another major achievement. Nine of our young ringers and their families made the long journey to Devon by car and train. The team (including 2 x 12-year olds) finished 3<sup>rd</sup> out of the seven teams in the method section. They rang Plain Bob Doubles with Noah conducting. Sixteen teams rang in the call change section. A whistle-stop tour of the open towers including Exeter Cathedral followed. We are particularly grateful to YACR for their financial assistance towards the expenses for this event.

So, it is onwards and upwards in 2023. We will continue our 2<sup>nd</sup> Sunday meetings, and on July 8<sup>th</sup> will assist with hosting the RWNYC in York. We expect all our young people will have chance to ring at that event, and we will be calling on all the ex-Tykes to help with stewarding.

We welcome all young ringers from across Yorkshire to join us. If you have ringers in your towers who haven't tried a Tykes meeting yet, please ask them to get in touch and we will include them on our mailing list. Parents and/or Tower Captains are allowed to attend with them. For more information contact Jane Lynch.

# THE BELL REPAIR FUND 2022

Reg. Charity no. 508480

## Custodian Trustees of the Bell Repair Fund

President                      Treasurer                      General Secretary                      Rev Giles Galley                      Peter C Kirby

## The Managing Trustees of the Bell Repair Fund

Simon Burren                      Peter W McCoy                      Simon Reading  
Robert Cater                      Cate Ovington                      Deborah Thorley  
Emma Coles                      Helen Pells

During 2022 grants were paid out following completion of schemes at the following towers:

<b>Kirkby Overblow</b>	£600
<b>Bubwith</b>	£4,500
<b>Ormesby</b>	£250
<b>Rotherham</b>	£2,000
<b>Bolsterstone</b>	£5,800 Paid out in 2023 as finished in December.

We have now provided bells from the Colin Ashworth bequest for the following towers:

**Richmond, Barton, Beverley St Mary and Horbury**

We did not have any new bells cast out of this bequest in 2022.

## Allocations During 2022

We gave grants to the following projects in 2022:

<b>Ormesby</b>	£250
<b>Barnoldswick</b>	£1,000

We have three grants outstanding from before 2022:

<b>Queensbury</b>	£100
<b>Holme on Spalding Moor</b>	£2,500
<b>Scarborough</b>	£1,000

We have had towers where we offered a grant but have now lowered the level of grant to “Support”. This is where we have said we will support a project but have not given a specific grant figure. One tower with this status is:

**Laughton en le Morthern:** They are having work done on the tower and will be reapplying for a grant when that work is done. This will be a transferred ring of bells from outside of Yorkshire. We hope this is going to be quite soon and that they will be in a position to update us.

One thing to note: After long periods of bells not being rung the Central Council guidance is still to check your bells and make sure everything is how it should be in the belfry. It is always worth remembering ongoing maintenance can help prolong the need for expensive refurbishment work.

We are looking at various ways for finding homes for bells where they are no longer needed in their current churches. I ask members to keep me informed if they know of any churches that may be closing and bells that might be becoming available for transfer. Also, if you know of a church where towers could rehouse second-hand bells, please let me know at the earliest opportunity. We now have a list on our website of any Yorkshire bells that are available to be

transferred to other towers. We have some towers in the county looking at options for bells from the Keltek Trust.

On the fundraising side of the BRF we are in the planning stages of running a lottery/100 club fundraiser. We are looking at options of how this would be managed and if anyone could help us, we would like to hear from you.

In 2022 Steve Waterworth took part in a sponsored bike ride and in October there was a quiz in aid of the BRF. Thank you to Steve, and all who helped and supported the quiz. Also, you can help raise funds by using Amazon smile and easy fundraising when you do online shopping.

Running and helping with bell projects can bring ringers together, they may be quite daunting and big commitments but normally fun. I have seen two big projects in the last year at Bubwith and Bolsterstone where a lot of the work in the tower was done by volunteer labour helping the bellhanger. This was not just ringers from those towers, but ringers from the respective areas pulling together and giving up their time to the cause. This sort of effort really helps projects no end.

Trustees are appointed every year by the General Committee. If you would be interested in becoming a Trustee, please contact me or the general secretary. As we fall within the rules set by the Charities Commission there are certain conditions which apply as to who can become a trustee.

The next two meetings of the Trustees will be held in September 2023 and February 2024 to consider applications for support and grants. The closing dates for applications are 30<sup>th</sup> June and 31<sup>st</sup> December 2023 respectively. Applications should be submitted using the YACR BRF form A and sent to the BRF Secretary: Peter McCoy. If you are considering a project, please contact me so that I can supply you with the correct form and offer any advice you may require.

For further information to allow for a full understanding of the financial affairs of the Bell Repair Fund the full annual accounts and the Trustees' annual report should be consulted. Copies of these documents are obtainable from the Association Treasurer for a reasonable fee to cover costs or alternately we have the most recent full reports available for download on the YACR website.

I would like to take this opportunity to thank everyone who has donated money, supported fund raising events, time, labour, and effort to the Bell repair fund in 2022.

Peter W McCoy: *BRF Secretary*

## BRANCH REPORT 2022

The Branch AGM was held at Cawthorne in January when Brian Sanders stood down as Chairman after many years. He was presented with a card and gift. Julie Heslop also stood down as Treasurer, and thanks were recorded for her work. Graham Hunt was elected as Chairman and Marian Thomas took over as Treasurer with a view to handing over to Katie Havenhand in a year's time. Richard Pagdin was elected to serve as Ringing Master for a further year. Chris Moxon took over from Helen Thorley as Secretary for the year and Helen was thanked for her work as Secretary.

In February we met for afternoon ringing at Campsall, whilst in March we were at Wragby, with the Secretary absent through COVID-19. Our Outing to Grantham took place in April, expertly organised by Richard Pagdin. May proved a low point in the year with only seven ringers attending at Kirkthorpe. We held the Fun and Sunday Service Contests at Hemsworth in June, with Ossett I and II being successful in the Sunday Service, and Hemsworth winning the Fun. Marian Thomas organised a Mini Outing in July with ringing at Hemingborough, Howden and Thorne enjoyed by twenty ringers. After a break in August, we met in September at Darfield, jointly with the Doncaster Society when twenty-seven ringers enjoyed methods up to Yorkshire Surprise Major. There was no meeting in October as it was intended to have a Quarter Peal weekend, but there was general apathy, with none arranged.

In November, we had a good meeting at Horbury, in the Leeds Branch, with seventeen ringers present. A good mix of Minor methods was rung, also Stedman Triples and Yorkshire Surprise Major. With no meeting in December, we can look back at the year with some satisfaction. At last we are getting back to pre-Pandemic attendances, and we look forward to building on this in the coming year.

## **BRANCH REPORT 2022**

During the past year the Branch was considering how best it could organise itself, given the geographical area we cover. Several possible ways of re-organising have been proposed, but the one that seems to have the best chance of succeeding is to split the Branch into two self-organising groups. One would be to the East of the A1, led by Northallerton and Stokesley; and one to the West of the A1, led by Richmond and Ripon. On the West side, we also have the Wensleydale group who are already running very successful sessions and were awarded an Association of Ringing Teachers' prize for innovation at the recent AGM in Birmingham, congratulations to them all.

Ten bell practices have been held at Northallerton on several Saturdays and Ripon Cathedral have been holding 12 bell practices with invited bands, to develop 12 bell skills. It is essential that we offer advanced ringing to the Branch as many of our younger ringers will go on to ring in parts of the country where 10 and 12 bell ringing is more commonplace.

Towards the end of the year, we started to consider the challenges posed by the changes in the age demographics and the reducing importance of the Church in the population as a whole.

Along with the rest of the Exercise we will need to work out how to respond to these challenges and in particular, what impacts there might be on the YACR and our Branch in particular.

I have resigned as Chair of the Branch. As new Chair of ART, I look forward to working alongside the Branch and the Association in developing ringing and the teaching of ringing across the country and not least in Yorkshire.

Andrew Slade: *Ex-Branch Chair*

## **EAST RIDING BRANCH**

Chairman  
Acting Secretary

Andrew Aspland, Hull Minster  
Simon Plows, North Cave

## **BRANCH REPORT 2022**

The Branch relaunched at the end of 2021 after a 40-year period of inactivity. 2022 was a year of contrasting halves. We held a number of meetings on Sunday afternoons and ringing included Spliced Surprise Major on several occasions. A trip over the Humber in July to ring around Barton was less well attended, though those who did attend enjoyed ringing at some rarer towers. No events were held in the latter part of the year and this perhaps reflects the need for a committee of people to be involved with the organising of events.

One challenge, which is perhaps unique to this area of Yorkshire, is the lack of ringable bells. To the East of Hull, in the area known as Holderness, Withernsea bells (now under the care of The Churches Conservation Trust) have been unavailable for some years, though it is hoped this might change during 2023. Burstwick church, with its fine peal of six, is facing closure and the bells are no longer available for ringing. At Patrington, a truly magnificent church, the eight bells are out of action due to corrosion in the metal frame, and attempts to begin ringing again, even on the front six, have met with resistance from the DAC Bells Advisor. Of the many lesser peals of bells in Holderness, only Long Riston (3) are available for ringing. Collectively, ringing opportunities East of Hull are half of what they could be. Congratulations are therefore in order to Helen Audley and the Roos ringers for championing young ringers and getting involved with The Yorkshire Tykes.

2023 will bring further opportunities to reinvigorate this branch, and doubtless some challenges, as the Association reviews its structure and organisation.

## BRANCH REPORT 2022

As the incoming secretary I would like to thank the Leeds Branch members and committee for their support in making the transition straightforward. I would particularly like to thank the tower captains who have hosted the Branch and worked hard to enable the second Saturday practices. This has made it possible to grow the ability and ringing quality of our ringers, of all abilities, and also encouraged the all-important social aspects of ringing with the traditional tea and biscuits!

Over the course of the year, we rang at towers across the Branch including Hampsthwaite, Spofforth, Kirk Deighton, Bramham, Thorne, Chapel Allerton, Far Headingley, Bramley, St Anne's RC Cathedral Leeds, Tong, Birstall, East Ardsley, Batley, All Saints Pontefract, St Giles Pontefract and Thornhill.

The Branch membership continues to grow and there have been excellent initiatives at various towers to encourage new learners. There has also been a concerted effort to encourage lapsed ringers to return; I am delighted to say this is also increasing our numbers.

We were able to support our younger ringers, alongside the Association, in their trip to Exeter, and look forward to continuing to encourage this important group who hold the future of ringing in their grasp. The reports from the Tykes were very positive.

The Branch Striking Competition was held this year in Hampsthwaite. There was an excellent turnout with two trophies awarded. Many thanks go to all who helped organise, judge and ring. Again, there was a positive mix of ringing and socialising.

The Branch held the Association Quiz at Burley which was very well supported, with teams from far and wide taking part in a fun evening. There was a significant amount of work in the background to ensure the evening ran smoothly. Again, thanks go to all those who made this possible. With the emphasis on "no ringing questions", many non-ringers also took part.

I look forward to another full year of events in 2023. Please let me or any of the committee know if you have ideas, changes or suggestions which you would like to see implemented.

## BRANCH REPORT 2022

The easing of restrictions and a return to something approaching normality was wholeheartedly welcomed by the branch and we were able to resurrect our previously disrupted programme for 2020 to use as a basis for 2022.

The branch enjoyed the GRAND DAY OUT at Harrogate in April, and in May entered a band in the inter-branch striking competition over in the Western Branch. This was followed by our annual branch outing also in May, towers visited included Ripon Cathedral, Winksley, Middlesmoor, Pateley Bridge, Fewston and Otley. This gave the opportunity of not only a chance to ring on 12 bells, but also to experience a light ring of 8 bells and finally to sample Yorkshire tail-ends.

Other events that took place during the year included:-

- Ringing to celebrate the Queen's Platinum Jubilee (a once in a life-time event)
- Our education officer Steve Waterworth's sponsored cycle ride around all the towers in the branch which raised in excess of £800 for the bell restoration fund.
- An open day at Hovingham to co-incide with the Saturday market took place with mini-ring, WOMBEL and handbells on the green and the tower open for visitors. Several potential new ringers were recruited.
- The sad news of the passing on HM Queen Elizabeth II was marked by a period of mourning with muffled bells being rung in memory.
- Open ringing to announce the accession of King Charles III to the throne.
- Scalby represented our branch at the 6 bells Sunday service band competition which was hosted by the Cleveland & North Yorkshire branch.
- Regular monthly meeting took place around the branch along with special training days. These being tailored to the needs of the tower hosting these days.
- Stepping Stones, our regularly twice a month training programme covered basic doubles, plain and treble-bob methods and some successful quarter peals have been scored.

Another successful year for the branch, which, due to everyones hard efforts, has enabled further progress to be made and also enabled us to recruit new ringers to the fold.

### BRANCH REPORT 2022

2022 began with a "socially distanced" AGM held at Selby Abbey during ongoing Covid-19 pandemic restrictions.

The Branch committee identified dates throughout the year for events, which were organised for the first half of the year in order to gauge the level of support. General ringing at Pocklington and Holme on Spalding Moor in March and April respectively was enjoyable and beneficial for those attending. There were a number of "firsts" for our less experienced ringers. Ringing at HOSM was followed by a picnic.

Sadly, the enthusiastic support from a core of committed regulars was not sufficient to balance out the small numbers attending. There was insufficient committed support to justify going ahead with a planned outing in June.

In July, a Plain Bob Doubles training session was held at Selby Abbey. The session was beneficial for those attending but again, numbers were low.

Given the lack of support beyond a core, the committee did not organise anything for the remaining pre-set dates other than our Carol Service. Against the trend, the Carol Service at Tadcaster was well supported. Thanks must go to the Tadcaster band for enabling us to end the year on a high.

### **BRANCH REPORT 2022**

The first Branch event of the year was the AGM held in March. Ringing was at Walkley and Ranmoor with an excellent ringer's tea prepared by the Walkley ringers in between.

Monthly Branch ringing meetings were held during the year where the month did not include a YACR event.

The Branch striking competition was held in June at Handsworth. The winner of the contest, and awarded the JIL Gilbert Cup, was Rotherham Minster ringing Grandsire Doubles. The C David Munday cup for best call changes was won by Rotherham Minster B team.

Rawmarsh hosted the July meeting. Wortley and Tankersley hosted the August meeting where we had a bring your own picnic at Tankersley Church with teas and coffees prepared by the Tankersley ringers.

Our annual October outing was to the Warrington area that included six towers - Bowdon (8), Warburton (8), Lymm (8), Grappenhall (10), Stockton Heath (10) and Stretton (8).

The November meeting included a Branch training event of Plain Hunt, and due to demand, a second tower was added to run at the same time. Our December meeting was ringing at Bradfield followed by a pub social gathering.

Thank you to all for supporting our Branch during the year.

## BRANCH REPORT 2022

This year has seen an expanded programme of events organised by the Branch, and it has been great to see positive engagement in these across our large catchment area. Our return to ringing following the pandemic has continued to progress well, but we are mindful that certain areas are still struggling; the Branch will continue to provide help where possible.

The Branch has continued to offer training courses this year, building upon the work done in 2021, including 'ringing up and down in peal', 'conducting club', and 'methods clubs'; thanks go to Maurice Calvert, branch Ringing Master, for all his efforts in running these courses, and thanks also go to the helpers at these events. The training courses have been enjoyed by students and helpers alike. The methods clubs have produced a number of first quarter peals in the methods being studied, and the conducting club has enabled ringers to score their first quarter peal as conductor. Congratulations go to all ringers who have achieved success this year, and thanks go to their fellow ringers for helping them along in the journey. The Branch looks forward to celebrating further successes in 2023.

The focus on education and training is so important, particularly in the context of the wider picture of sustainability of ringing nationally. We will continue to push forwards with this at local level, to help all ringers to advance. Please get in contact with the committee if you have particular training needs or requests for assistance.

Our monthly Branch 'higher numbers' practices have been held at Halifax Minster once again. Our thanks go to Neil Murray and the local band for a warm welcome at Halifax, and for the positive atmosphere at these practices. These events have helped many ringers to improve their ringing on 10 and 12 bells, and to meet new ringing colleagues.

Branch practices have been held on an approximately monthly basis across the Western catchment area. Our sincere thanks go to churches for allowing us to ring, and to local ringers for joining us. We had a few long-distance visiting ringers at these practices; it was good to welcome them. Thanks go to those who have helped to organise these practices, particularly those who have run ringing sessions, and for the provision of refreshments.

Western Branch hosted the Yorkshire Association Annual General Meeting in May at Almondbury, with additional ringing at other local towers. The committee would like to thank the local organisers for helping to make the event a success, and for the excellent catering.

The Branch would like to extend thanks to Jenny Price and Robert Appleby for organising an excellent safeguarding course in November. The course was well attended, with wide representation from across the branch. It was a very informative event, with lots of useful advice on this important topic. Many thanks also go to St James, Silsden, for hosting the event, and for their kind hospitality.

I would like to extend my gratitude for the warm welcome I have continued to receive when visiting practice nights around the Branch. It has been a privilege to join in, and to see the enthusiasm for ringing within our Branch. Thanks also go to those who have helped me with my own ringing during visits to practice nights.

My thanks go to fellow committee members for all their hard work this year. Thank you Pat Kefford, who will be retiring from the Western Branch committee at the next AGM after many years of loyal service.

Finally, thank you Bob Schofield, who will be stepping down from the role of Western Branch Secretary at the next AGM, for the support given to me and the rest of the committee; your wise words and practical help have been so valuable.

We look forward to a busy and productive 2023.

### BRANCH REPORT 2022

Branch activity during 2022 was limited to entering (and winning!) the inter-branch striking contest at Longwood in May and holding our own Sunday-service band contest and AGM at Huntington in June. Whilst the level of enthusiasm for formal branch-organised activity is low, there is nevertheless lots of ringing taking place within the branch and this offers ample opportunity for ringers of all abilities. The conundrum of what role the Branch can play to further support that ringing remains as taxing as ever.

Peter Sanderson: Chairman and Treasurer

### QUARTER PEAL SECRETARY'S REPORT

#### Criteria used for including quarter peals:-

I have used the same criteria as applied in previous years for collating YACR quarter peals. I have used Duco Software and included all performances submitted as quarter peals to Bellboard, attributed to the Yorkshire Association between 1<sup>st</sup> January 2022 and 31<sup>st</sup> December 2022. I have also included 3 quarter peals, during the same date parameters, which were jointly attributed to the Yorkshire Association and Beverley and District Ringing Society and the 2022 Devil's Knell Tolling at All Saints, Dewsbury on Christmas Eve. The figures listed below for leading ringers and conductors relate only to quarters attributed to the YACR, although several of those YACR members may have also conducted or rung more quarters attributed to other societies.

#### The Statistics:

368 quarter peals were rung in 120 different towers/locations by 466 different ringers and 98 different conductors. 26 of these quarters were on hand bells.

Quarter peal footnotes: 23 people rang their first quarter peal on tower bells during 2022, 3 rang their first quarter on hand bells and 5 people conducted their first quarter peal. Several other people ventured into ringing/conducting their first quarter peals in different methods, on inside/working bells or on a greater number of bells than they had previously rung.

### **The towers with the most quarter peals rung are:-**

### **Various points of interest:-**

2022 brought with it many changes – for the first time in 3 years, daily life began to return to some degree of normality following the Covid Pandemic. The country saw three changes of Prime Minister and on 24<sup>th</sup> February 2022 Russia invaded Ukraine. On 2<sup>nd</sup> February, Queen Elizabeth II became the first British Monarch to celebrate a Platinum Jubilee of 70 years on the throne and the country celebrated with a 4-day Bank Holiday weekend from Thursday 2<sup>nd</sup> June - Sunday 5<sup>th</sup> June. On the evening of 8<sup>th</sup> September, the world was advised of the death of Queen Elizabeth II, aged 96 years at Balmoral Castle. The Prince of Wales ascended to the throne on the death of his mother, to become King Charles III and the oldest person to accede to the British Throne at the age of 73. The Proclamation of King Charles III took place on 10<sup>th</sup> September at St James Palace and during 2023 we will celebrate the Coronation of King Charles III at Westminster Abbey on 6<sup>th</sup> May. Quarter peals were rung again during each month of the year - the highest number of quarter peals were rung in June (71), September (48), December (34) and February (32). These months were significantly higher than others as they signified important dates during the year to which quarter peals were dedicated in their footnotes. During 2022 a large proportion

of the quarter peals submitted to Bellboard were dedicated to HM Queen Elizabeth II. These include 65 for Platinum Jubilee Celebrations/Accession, 3 for her 96<sup>th</sup> Birthday and 32 quarter peals marked her death. 5 quarter peals were rung to celebrate the accession to the throne of His Majesty King Charles III.

Throughout the year other quarter peals were rung for Sunday services, birthdays, weddings, wedding anniversaries, memorials, christenings, evening mass, Holocaust Day, Remembrance Day, for solidarity with the people of Ukraine, Easter, Advent, Christingle and Christmas carol services.

Other quarter peals of interest included a ring at St Martin Le Grand, York to mark the 80<sup>th</sup> Anniversary of the bombing of the church on the night of 29<sup>th</sup> April 1942. The Cathedral Church of St Peter and St Paul, Sheffield acknowledge the 40<sup>th</sup> Anniversary of the sinking of the HMS Sheffield with a quarter peal of Yorkshire Surprise Royal. St Pauls, Shipley rang their first quarter peal on the bells since at least 1938. On 4<sup>th</sup> September, St Peter, Norton on Derwent celebrated the conclusion of one of their ringers sponsored 140-mile cycle ride around the 27 towers of the Scarborough & District Branch of the YACR, in support of the YACR Bell Repair Fund. All Saints, Ilkley marked the 150<sup>th</sup> anniversary of the first recorded peal length performance there on 7<sup>th</sup> December 1872 conducted by Jasper W Snowdon. On 24<sup>th</sup> December, The Devil's Knell Tolling took place at All Saints, Dewsbury where the Black Tom 1300-weight tenor bell is tolled once for each year since Christ was born, with the final toll ending on the stroke of midnight. A local legend explains the custom of this tradition.

I trust that the criteria I have used is acceptable, accurate and relevant.

Ruth Smith : *Quarter Peal Secretary*

## PEAL SECRETARY'S REPORT

The 2022 peal total was a significant increase on the last two years of living with a pandemic, but a long way short of typical totals for years up to 2019. It remains to be seen when and if we reach 300 a year again. Both tower bell peal and hand bell peal totals were well below pre-pandemic totals. It's notable that June was by far the heaviest month for peals, no doubt spurred on by the unique occasion of the Platinum Jubilee.

Year	Total	Tower	Hand	First Peals
2022	224	205	19	14
2021	62	53	9	1
2020	78	64	14	1
2019	301	266	35	4
2018	334	303	31	6
2017	386	319	67	2

Local band peals reported in 2022 were by Leeds Minster at Hemsworth (21438) and at Evesham (21622); by Northallerton (21557); and by Selby Abbey (21560).

First peals on the bells were rung at Rufforth (21482); and on the augmented bells at Beverley St Mary (21436), Barton (21493) and Bubwith (21528). Additionally, the first for the Association was rung at Driffield (21453); and first for 48 years at Sandal Magna (21508).

Methods included 4 rung for the first time and a further 9 new to the Association. The most popular single method for peals was Bristol Surprise Major (17), followed by Yorkshire Surprise Major and Royal, both with 9.

The list of leading towers and handbell venues for 2022:

Leeds Cathedral (RC)	35	Fewston	8
Northallerton (The Green)	19	Halifax Minster	8
Dore	16	Handsworth	7
Saddleworth	9	Knottingley	6
Strensall	9	Sheffield Cathedral	5

Tower milestones reached during 2022 were: Leeds Cathedral 1100; Rotherham 900; Dore 450; Handsworth 350; Fewston 5

One of the most pleasing features of the year was the number of members who rang their peal; congratulations go to these 14: Paul A J Clark, Zoe A Bennett, Tom Booth, Jeff P Colbert, Annie J Faulkner, Francis J Gilruth, Alexander P Johnson, Jane McDermott, Noah J McDermott, Sue Neal, Charlie I Thorpe, Francis P Town, Jennifer Warner, and Daisy Wolstenholme. This is highest number of first pealers since 2015, the year there was a national campaign. Particularly noteworthy were the peals at Clapham (21489) and Adwick le Street (21564) in both of which there were 3 first pealers. It was also good to see that some of the above people rang further peals during the year. Congratulations also go to Alex W Wain on his first peal as conductor. A notable peal was rung at Wakefield Cathedral (21591) on the exact 200<sup>th</sup> anniversary of the first ever peal of Cambridge S Royal, using the same composition - possibly the oldest 'new composition' for the Association!

The following members rang 15 or more peals for the Association last year:

All peal details are downloaded from Bellboard, but can I please request that all compositions are also added to Bellboard, even if only as a link to complib. This saves a lot of work for both composition and peal secretaries at year end! Do just ask if you have queries about any historic YACR peals - information can be readily extracted from the database.
